RE: Clean Copy Submittal for Mine Water Discharge Line Amendment, PacifiCorp, Trail Mountain Mine, ACT/015/009-97B, File #2 Emery County, Utah.

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, hereby submits clean copies for an amendment that was approved on September 19, 1997.

The original amendment was submitted on July 11, 1997 regarding the replacement of an existing 4" discharge line with an 8" discharge line. The Division reviewed the amendment and faxed deficiencies (from Sharon Falvey) on July 29, 1997. The deficiencies required Energy West to 1) meter an existing 6" emergency overflow line from the water storage tank and 2) receive approval from Division of Environmental Quality (DEQ) prior to making changes. Energy West responded to the deficiencies with a document dated September 10, 1997. The Division (Joe Helfrich) approved amendment ACT/015/009-97B on September 19, 1997.

Included with this submittal are seven (7) clean copies of pages 7-37 and 7-38 and maps TMS1362D and TMS1371D, correspondence from Energy West on July 10, 1997, Division correspondence on July 28, 1997, Energy West correspondence on September 10, 1997, and Division approval on September 19, 1997. The original July 10, 1997 submittal includes the C1/C2 forms for incorporation into the MRP.

Please stamp approve the clean copies so they can be incorporated in to the MRP and put a closure on this amendment. If you have any questions or concerns regarding this submittal, please contact myself at (435) 687-4720 or Dennis Oakley at (435) 687-4825.

Sincerely,
